

Dress Code

Effective date: 08/02/2022

Students are preparing for careers and should develop the habit of wearing appropriate attire. Students are required to wear the designated school uniform in class and on externship or clinical experience unless directed otherwise. Clinical/externship sites may require students to wear white shoes. Students are responsible for meeting dress code requirements for the site.

A student's personal appearance must be appropriate at all times when the student is in school uniform. The general requirements are as follows:

- Uniforms will vary by program.
- Uniforms or scrubs must be clean, wrinkle-free and well-fitted. Pants and dresses must be proper length.
- No outerwear is permitted in the classroom except for a lab coat or sweater as established by school/program standards.
- Shoes must be leather or vinyl and OSHA compliant, closed-toed, closed heel. Students must keep their shoes clean and polished.
- Underclothing is to be worn while in uniform. Undergarments must not be visible.
- The ID badge is part of the uniform and must be visible at all times.
- College-approved lab coats may be worn over the regulation uniform. T-shirts or turtlenecks may be worn under scrubs, but they must be tucked in. T-shirts or turtlenecks must be removed in the lab if they become a safety hazard.
- Jewelry may not be worn with the uniform, except for one pair of small stud earrings, one ring (e.g., wedding and/or engagement ring, class ring) and a watch. Dangling earrings, hoop earrings, or multiple earrings will not be permitted. A single necklace that does not dangle may also be worn. For safety reasons, no jewelry may be worn under protective gloves. Jewelry used in body/tongue piercing other than the earlobe is not acceptable. Medical identification worn as a bracelet or necklace is acceptable.
- Hair must be of a natural hue, neatly combed, clean, and pulled away from the face, so that it does not hang in the face when bending over during lab/clinical activities. No head covers, including beads or jewels interwoven into the hair are to be worn. All religious head coverings must be approved by the Academic Dean.
- Fingernails must be kept short, clean, and neatly manicured. No polish, acrylic nails, overlays, or any synthetic enhancements to the natural nails.
- Proper daily hygiene, including the use of antiperspirant and mouthwash, is essential because students work very closely with others. Cologne and perfume should not be worn.
- Many healthcare facilities mandate coverage of tattoos, and students may be asked to leave a clinical or externship site if tattoos are visible. In order to ensure we are preparing you for the work environment of your chosen field, Concorde requires that students make a reasonable attempt to cover all tattoos.
- **Eyelash extensions are prohibited.**

Failure to comply with the above expectations may result in dismissal from the classroom, externship, and/or clinical site.
